The Whitlock Group Wins “Integrator of the Year” Award

Richmond, Va., April 27, 2010 – TANDBERG, now part of Cisco, the leading global provider of telepresence, high-definition videoconferencing and mobile video products and services, named The Whitlock Group as winner of its “Integrator of the Year” award at the annual TANDBERG Americas Partner Summit, held April 12-13, 2010 in Las Vegas, NV.

“The Whitlock Group is an outstanding AV partner for TANDBERG,” said Todd Meister, Vice President of Americas Channels. “Their investments and commitment to TANDBERG have enabled them to deliver the most complex AV room integrations in the industry and they continue to meet the unique needs of their customers.” Mr. Meister added, “The Whitlock Group has helped customers realize the increased business productivity, cost savings and environmental benefits that result from telepresence and videoconferencing.”

The Whitlock Group was also recognized as a Top Growth partner award for delivering superior customer solutions and demonstrating outstanding sales and service performance for TANDBERG.

In thanking TANDBERG, the CEO of The Whitlock Group, Doug Hall, said “Working with TANDBERG’s technology portfolio, programs and people has been extremely rewarding for The Whitlock Group. We look forward to many more positive experiences working with TANDBERG and Cisco together as we continue to expand our ability to serve our customers’ growing collaboration needs with innovative solutions.”

TANDBERG’s Integrator of the Year award is given to the AV partner that has experienced significant year-over-year growth with TANDBERG, demonstrated continued loyalty and has driven new opportunities for TANDBERG, including telepresence sales. In addition, this award recognizes a partner that has launched new service offerings around the TANDBERG product portfolio and has met the training and certification requirements and product investments that are part of the TANDBERG enVision Partner Program.

ABOUT THE WHITLOCK GROUP

The Whitlock Group is the world’s premiere audiovisual systems integration and managed services company. We excel in enabling customers to succeed with unified communications and advanced collaborative solutions on an enterprise, national and global basis. The Whitlock Group has been recognized as a leader in providing full-scale design, engineering, project management, integration and maintenance support for audio/video, videoconferencing, telepresence, video streaming, digital signage, broadcast and related multimedia solutions. As the nation’s largest privately-held audiovisual integrator and a founding member of the Global Presence Alliance, The Whitlock Group is uniquely qualified to provide turnkey technology solutions and support to mission-critical and high-profile projects.
